Story Elements

Character

A character is a person, or sometimes even an animal, who takes part in the action of the story.

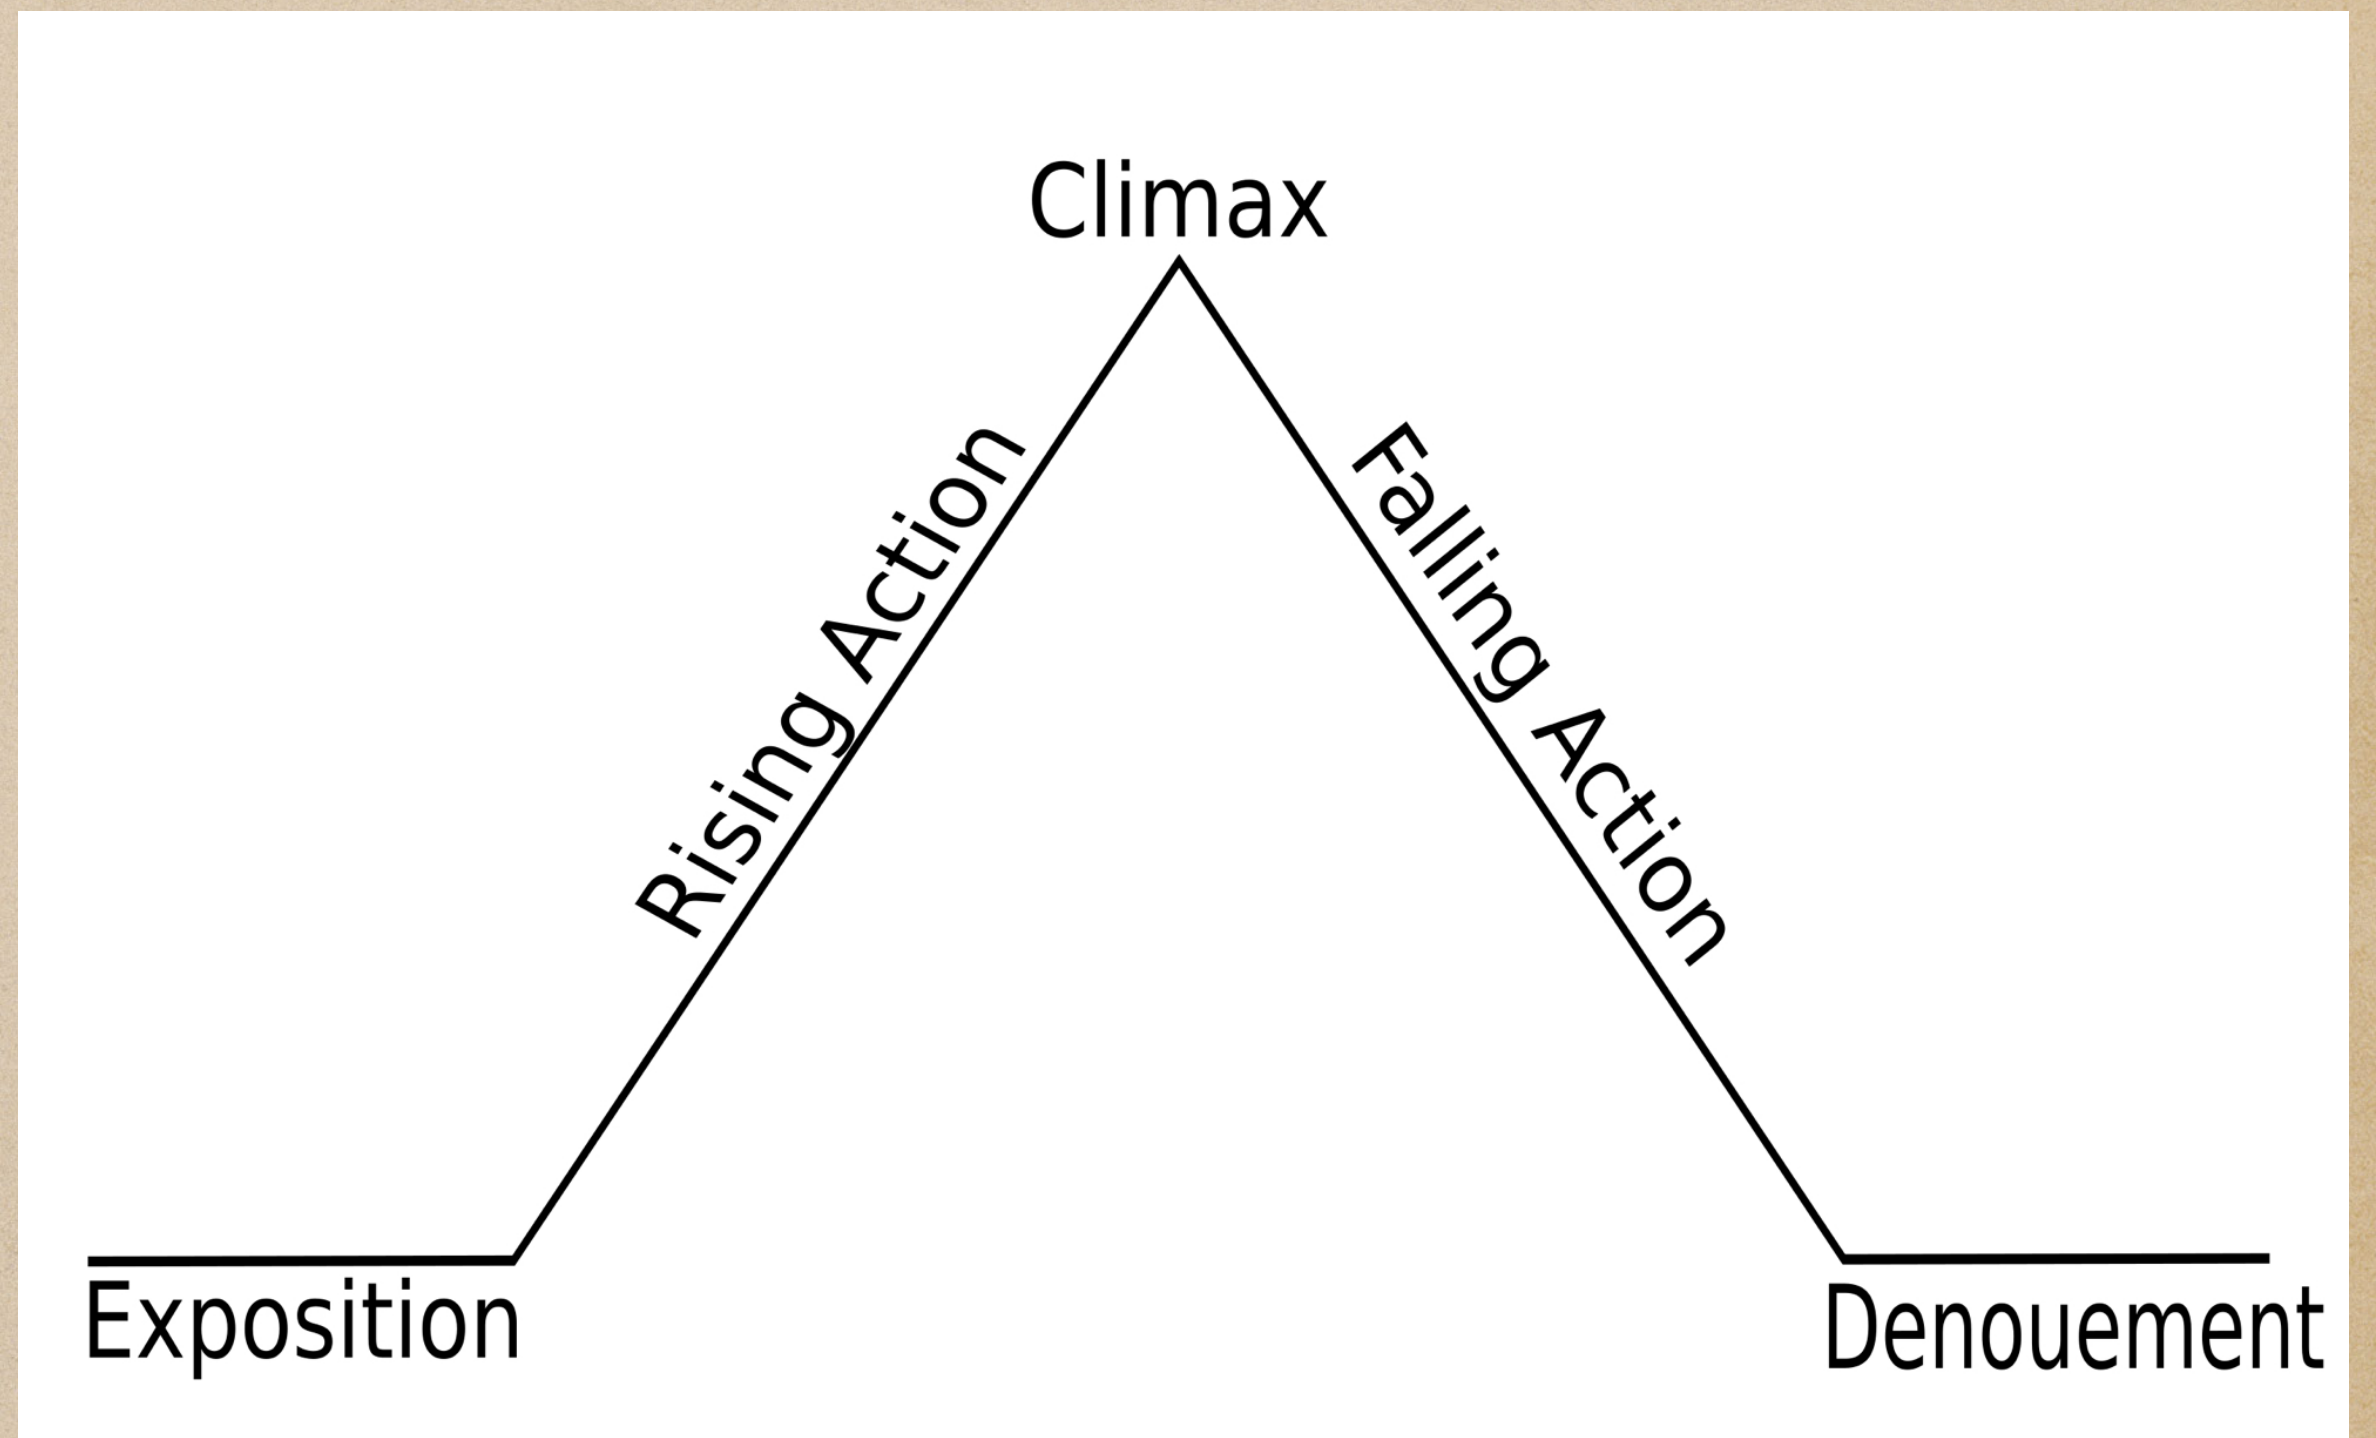

Setting

The setting of the story is the time and place in which it happens. Authors often use descriptions of a landscape, scenery, buildings, seasons or weather to provide a strong sense of setting.

Plot

A plot is a series of events and character actions that relate to the central conflict.

Conflict

The conflict is a struggle between two people or things in the story. The main character is usually on one side of the central conflict.

On the other side, the main character may struggle against another important character, against society, or even against something inside himself or herself (feeling, emotions, illness).

The Four Types of Conflict

Man vs. Man

Man vs. Nature

Man vs. Himself

Man vs. Society
